

# Tyrese, Fallin In Love

All my many days you were on my mind  
Visions of me with you all the time you  
You wasn't lookin for a man you made it clear  
And now I'm ever so glad that I have you near

Here in my life just you and i  
We can do what ever we want to  
Living my life with you by my side  
One day I'm gonna make you my wife  
Hey  
I was excited 'cause I was fallin' fallin in love with you  
Now that I've fallin'  
What am I gonna do(repeat)

I knew whatever puts a smile on my baby's face  
Girl your my best friend  
You can never be replaced  
Theres nothing in this world I wouldn't do (do for you)  
You were one of my favorite dreams and I'm so glad it came true

Here in my life  
Just you and i  
We can go any where we want to baby  
Here in my life with you by my side  
One day I'm a make you my wife

I was excited coz I was fallin' fallin in love with you  
Now that I've fallin'  
What am I gonna do(repeat)

Since I gave you all my trust  
And you given so much love  
Yourr everything I want and need  
Girl you got the best in me

Break it down...

I was excited 'cause I was fallin' fallin in love with you  
Now that I've fallin'  
What am I gonna do(repeat)
