

Tyrese, Lights On

Tyrese Talking:

So im on the phone wit this shorty right? haha
So im like, baby we about to do this,
so why you want the lights on?
haha, so u know
i figured out,
that she like to watch whats goin down,
so i was like iight, its somethin new but, im by that...

Verse One:

She got the kind of love that make you wanna stand up in the club singin 'go shorty',
She got the kinda of drop make a nigga wanna go out and cop,
anything that she wanted,
She got the heat to light that ass like fire,
and if you need a hit, i dare you to trya trya trya, baby girl itll get ya higher higher higher,
she'll have ya feelin like woahhhh'cause aint nobody betta at workin that thang down,
and she'll work it out don't turn the lights out cause.....

Chorus:

Shorty like it better with the lights on,
She go little harder with the lights on,
and when she get to feelin the groove,
then she get into you,
bet cha she'll keep ya comin

Verse Two:

She got the kind of cut that'll keep ya messed up,
and you fall up and then slip in,
She got the crazy butt,
that'll have you like what the f....
ohhhh yeahh,
when they come up missin,
She's got a crib and knows how to use it,
and when she got you beat she aint bout to lose it lose it lose it,
