

Tyrese, Stay In Touch

Thinking of the past
Of how we used to laugh and joke
And will we meet again

Memories in mind
Of how you used to tell me you love me
And how much, you cared

Can you undrestand how i feel
so can we plz stay in touch
so i can see you still love me
dont you know that im the one who cares

Oooooooooooooooooo
Oooooooooooooooooo
Oooooooooooooooooo

Plz stay in touch
yeah yeah

Can you understand how i feel
so can you plz

stay in touch
so i can see you still love me
Dont you know that im the one who cares
