

# Tyrone Wells, Better Off Without You

Almost don't remember  
The way it used to be  
Where you used to whisper  
You belonged to me  
You belonged to me

Chorus:  
I'm better off without you  
Except for when I sleep  
I'm better off without you  
Besides the time I breath  
I keep telling myself  
Maybe one day I'll believe  
That I'm better off without you  
And I'd never think about you  
I'm better off without you

I saw you on the sidewalk  
And I'd thought I caught your eye  
And I wondered if you loved him  
As I watched you both walk by  
As I watched you just walk by

(Chorus)

Looking at a photograph of you, you're laughing  
I'm standing by your side  
I remember you were wearing my favorite perfume  
How could you forget about the time you told me I was your only joy  
Now when you want to smile,  
What do you do, what do you do

(Chorus)
