U.D.O., Can't Get Enough

Again it's around seven
I'm burning like a candlelight
I don't know where i'm going
But i'm ready for this night

You'd better run for cover
Before i start to smile
No way there's time for wasting
Never walk in a line
Never walk in a line
Oh yeah

And i just keep going
Forget these boring times
And i'm hungry for desire
No way to live in a line

You'd better run for cover
Before i start to smile
No way there's time for wasting
Never walk in a line

Reckless and mean i'm ruling the scene - i never get enough
Acting the night - i'm gone with the light - i can't
Get enough
I never get enough

Again it's around seven
I'm burning like a candlelight
I don't know where i'm going
But i'm ready for this night

Reckless and mean i'm ruling the scene - i never get enough
Acting the night - i'm gone with the light - i can't
Get enough

Reckless and mean i'm ruling the scene - i never get enough
Acting the night - i'm gone with the light - i can't
Get enough
I never get enough
