

# U.D.O., Can't Get Enough

Can't Get Enough

Again it's around seven

I'm burning like a candlelight

I don't know where I'm going

But I'm ready for this night

You'd better run for cover

Before I start to smile

No way there's time for wasting

Never walk in a line

Never walk in a line

Oh yeah

And I just keep going

Forget these boring times

And I'm hungry for desire

No way to live in a line

You'd better run for cover

Before I start to smile

No way there's time for wasting

Never walk in a line

Reckless and mean I'm ruling the scene - I never get enough

Acting the night - I'm gone with the light - I can't

get enough

I never get enough

Again it's around seven

I'm burning like a candlelight

I don't know where I'm going

But I'm ready for this night

Reckless and mean I'm ruling the scene - I never get enough

Acting the night - I'm gone with the light - I can't

get enough

Reckless and mean I'm ruling the scene - I never get enough

Acting the night - I'm gone with the light - I can't

get enough

I never get enough
