

# U2, Bad (Live)

If you twist and turn away  
If you tear yourself in two again  
If I could, you know I would  
If I could, I would  
Let it go

Surrender  
Dislocate

If I could throw this  
Lifeless lifeline to the wind  
Leave this heart of clay  
See you break, break away  
Into the night  
Through the rain  
Into the half-light  
Through the flame

If I could through myself  
Set your spirit free  
I'd lead your heart away  
See you break, break away  
Into the light  
Through the day

So let it go  
And so to fade away  
To let it go  
A-ha  
And so fade away

Wide awake  
I'm wide awake  
Wide awake  
I'm not sleeping  
Oh, no, no, no  
I'm not sleeping

If they should ask  
Well maybe they'd  
Tell me what I should say  
True colors fly in blue and black  
Bruised silken sky and burning flak  
Colors crash, collide in blood shot eyes

If I could, you know I would  
If I could, I would  
Let it go...

This desperation  
Separation  
Condemnation  
Revelation  
In temptation

Isolation  
Desolation  
Isolation  
Let it go  
A-ha  
And so fade away  
To let it go  
A-ha  
And so fade, fade

fade away

Not fade away  
Not fade away  
No, no no  
Not fade away

I'm Wide awake  
I'm Wide awake  
Wide awake  
I'm Wide awake  
Wide awake  
I'm not sleeping  
Oh, no, no, no  
I'm not sleeping  
Oh no  
Come on down  
Come on down  
Come on down  
Sing it  
Come on down.
