

U2, Do You Feel Loved

Take these hands they're good for nothing
You know these hands have never worked a day
Take these boots they're going nowhere
You know these boots they don't want to stray
You got my head filled with songs
You got my shoelaces undone
Take my shirt go on take it off me
You can tear it up
If you can tie me down

Do you feel loved? Do you feel loved?

Take the colours of my imagination
Take the scent hanging in the air
Take this tangle of a conversation
And turn it into your own prayer
With my fingers as you want them
With my nails under your hide
With my teeth at your back
And my tongue to tell you the sweetest lies

Do you feel loved? Do you feel loved?
And it looks like the sun but it feels like the rain

Love's a bully pushing and shoving
In the belly of a woman
Heavy rhythm taking over
To stick together
A man and a woman
Stick together
Man and woman
Stick together...

Do you feel loved? Do you feel loved?
Do you feel loved? Do you feel loved?

And it looks like the sun
But it feels like the rain
And there's heat in the sun to see us through the rain
