

U2, FEZ - Being Born

FEZ - BEING BORN

Let me in the sound

Let me in the sound

Let me in the sound, sound

Let me in the sound, sound

Let me in the sound

Let me in the sound

Let me in the sound

Let me in the sound, sound

Let me in the sound, sound

Let me in the sound

Oh oh oh oh

Six oclock

On the autoroute

Burning rubber, burning chrome

Bay of Cadiz and ferry home

Atlantic sea, cut glass

African sun at last

Oh oh oh oh

Lights flash past

Like memories

A speeding head, a speeding heart

Im being born, a bleeding start

The engines roar, blood-curdling wail

Head first, then foot

Then heart sets sail
