

# U2, Gone (Best Of Mix)

You get to feel so guilty, got so much for so little  
Then you find that feeling just won't go away  
You're holding on to every little thing so tightly  
'Til there's nothing left for you anyway

Goodbye...

You can keep this suit of lights  
I'll be up with the sun  
I'm not coming down  
I'm not coming down  
I'm not coming down

You wanted to get somewhere so badly  
You had to lose yourself along the way  
You change your name, well that's okay, it's necessary  
And what you leave behind you don't miss anyway

Goodbye...

You can keep this suit of lights  
I'll be up with the sun  
I'm not coming down  
I'm not coming down  
I'm not coming down

'Cause I'm already gone  
Felt that way all along  
Closer to you every day  
I didn't want it that much anyway

You're taking steps that make you feel dizzy / (Gone)  
Then you learn to like the way it feels / (Gone)  
You hurt yourself you hurt your lover / (Gone)  
Then you discover  
What you thought was freedom is just greed / (Gone)

Goodbye...

And it's emotional  
Good night...  
I'll be up with the sun  
You're still holding on  
I'm not coming down  
I'm not coming down  
I'm not coming down

Gone... sun... time... sun...  
Gone... sun.... gone... sun...
