

# U2, Ground Beneath Her Feet

All my life, I worshipped her  
Her golden voice, her beauty's beat  
How she made us feel  
How she made me real  
And the ground beneath her feet  
And the ground beneath her feet

And now I can't be sure of anything  
Black is white, and cold is heat  
For what I worshipped stole my love away  
It was the ground beneath her feet  
It was the ground beneath her feet

Go lightly down your darkened way  
Go lightly underground  
I'll be down there in another day  
I won't rest until you're found

Let me love you, let me rescue you  
Let me bring you where two roads meet  
O come back above  
Where there is only love  
Only love...

My oh my, My oh my  
My oh my, My oh my  
My oh my, My oh my

My oh my, My oh my  
My oh my, My oh my  
Let me love you true, let me rescue you  
Let me bring you to where two roads meet

Let me love you true, let me rescue you  
Let me bring you to where two roads meet

My oh my, My oh my  
My oh my, My oh my
