U2, Mysterious Ways

Johnny take a walk with your sister the moon Let her pale light in to fill up your room You've been living underground Eating from a can You've been running away From what you don't understand... Love

She's slippy You're sliding down She'll be there when you hit the ground

It's alright, it's alright, it's alright She moves in mysterious ways It's alright, it's alright, it's alright She moves in mysterious ways

Johnny take a dive with your sister in the rain Let her talk about the things you can't explain To touch is to heal To hurt is to steal If you want to kiss the sky Better learn how to kneel

(on your knees boy)

She's the wave She turns the tide She sees the man inside the child

It's alright, it's alright, it's alright She moves in mysterious ways It's alright, it's alright, it's alright She moves in mysterious ways It's alright, it's alright, it's alright Lift my days, light up my nights

One day you will look...back And you'll see...where You were held...how By this love...while You could stand...there You could move on this moment Follow this feeling

It's alright, it's alright, it's alright She moves in mysterious ways It's alright, it's alright, it's alright She moves in mysterious ways It's alright, it's alright, it's alright

We move through miracle days Spirit moves in mysterious ways She moves with it She moves with it Lift my days, light up my nights
