

# U2, New Year's Day (Special Version)

All is quiet on New Year's day  
A world in white gets underway  
And I want to be with you  
Be with you night and day  
Nothing changes on New Year's day  
On New Year's day  
I... will be with you again  
I... will be with you again

Under a blood red sky  
A crowd has gathered in black and white  
Arms entwined  
The chosen few  
The newspaper says, says  
Says it's true, says it's true and  
We can break through  
Torn in two  
We can be one  
I... I will begin again  
I... I will begin again

Yeah  
Oh...

Oh and maybe the time is right  
Oh... maybe tonight  
I... will be with you again  
I... will be with you again

On New Year's Day...  
On New Year's Day...
