

U2, Stand Up Comedy

STAND UP COMEDY

Love love love love love

Love love love love love

I got to stand up and take a step

You and I have been asleep for hours

I got to stand up

The wire is stretched

In between our two towers

Stand up in this dizzy world

Where a lovesick eye can steal the view

Im gonna fall down if I cant stand up

For your love

Love love love love love

Stand up, this is comedy

The DNA lotto may have left you smart

But can you stand up to beauty

Dictator of the heart

I can stand up for hope, faith, love

But while Im getting over certainty

Stop helping God across the road like a little old lady

Oh, oh

Out from under your beds

Cmon, ye people

Stand up for your love

Love love love love love

I gotta stand up to ego but my egos not really the enemy

Its like a small child crossing an eight lane highway

On a voyage of discovery

Stand up to rock stars

Napolean is in high heels

Josephine, be careful

Of small men with big ideas

Oh, oh

Out from under your beds

Cmon, ye people

Stand up for your love

Love love love love love

Love love love love love

God is love

And love is evolutions very best day

Soul rockin people moving on

Soul rockin people on and on

Cmon, ye people

Were made of stars

Cmon, ye people

Stand up then sit down for your love

Love love love love love
