

# U2, When I Look At The World

When you look at the world  
What is it that you see  
People find all kinds of things  
That bring them to their knees

I see an expression  
So clear and so true  
That changes the atmosphere  
When you walk to the room

So I try to be like you  
Try to feel it like you do  
But without you it's no use  
I can't see what you see  
When I look at the world

When the night is someone else's  
And you're trying to get some sleep  
When your thoughts are too expensive  
To ever want to keep

When there's all kinds of chaos  
And everyone is walking lame  
You don't even blink now do you  
Don't even look away

So I try to be like you  
Try to feel it like you do  
But without you it's no use  
I can't see what you see  
When I look at the world

I can't wait any longer  
I can't wait 'til I'm stronger  
Can't wait any longer  
To see what you see  
When I look at the world

I'm in the waiting room  
I can't see for the smoke  
I think of you and your holy book  
When the rest of us choke

Tell me, tell me  
What do you see  
Tell me, tell me  
What's wrong with me
