

# U2, White As Snow

## WHITE AS SNOW

Where I came from there were no hills at all  
The land was flat, the highway straight and wide  
My brother and I would drive for hours  
Like we had years instead of days  
Our faces as pale as the dirty snow  
Once I knew there was a love divine  
Then came a time I thought it knew me not  
Who can forgive forgiveness where forgiveness is not  
Only the lamb as white as snow  
And the water, it was icy  
As it washed over me  
And the moon shone above me  
Now this dry ground, it bears no fruit at all  
Only poppies laugh under the crescent moon  
The road refuses strangers  
The land, the seeds we sow  
Where might we find the lamb as white as snow  
As boys we would go hunting in the woods  
To sleep the night shooting out the stars  
Now the wolves are every passing stranger  
Every face we cannot know  
If only a heart could be as white as snow  
If only a heart could be as white as snow
