

Uffie, Hot Chick

On my way to Miami I see all kind of freak
From icky sticky bitches to fetish friendly tricks
When I go out, some like to get me drunk and wild
But the only thing you get tonight is my fucking drink tab!

Yes I'm like hot chick that you can't even touch
I'm like this cold ass bitch and I ain't ready to suck
Uffie is here, the boys are screaming and the club is packed.
And this one is for all my ladies who like to shake it like that.

So get your ass on the floor, down to the floor
Touch your ass on the floor, down to the floor
Touch your ass on the floor, down to the floor
Touch your ass on the floor, down to the floor
Touch your ass on the floor, down to the floor

Tap your funky dancing shoes
I can't hear, I want more!
Don't you stop, yes I want to see you're getting hot
Uffie's got the hottest tracks
And this shit on lock
You let me kick up the sound
So I'm tearing the sound
You can spin a little faster
I'm still ripping the song
They call me Uff
Yes, I'm young but I aint giving a fuck
If you got beef I thought you knew
I am ready fuck, oh!
If you be stopped, no we stopped the rock so
Viciously that you don't even want us to stop
I can't sit, dance, and shake on this
I don't take no shit
But it sounds a little fresher when the Uffie rock the beat

In the club, I'm tired of hearing the same old shit
With all the dancing crap, it's just a load of hits
Where is the sound I like to hear that gets me shaking my ass?
I like an electronic beat with a vocal that kick ass
I mean I'm like the 2Live Crew band from the U.S.A.
Cuz my first track is like a commercial for N.R.A.
But I kill rape-walking Europeans on this club scene
I push my dirty _____ dick cuz it is too fucking clean
I'd like to have another drink I want to party hard.
Maybe roll out the fucking weed we gonna party hard,
'Till the sunrise, we gonna get all sticky and shit.
But you don't care as long as me and DJ Feadz drop the heat.

I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
I'm like hot chick that you can't even touch
