

# Ultramagnetic MC's, Intermission

(Kool Keith)

Ahhh... it's time to relax  
For all the people out there, it's time to take a break  
A little intermission  
Go urinate, get a little popcorn, stuff like that

(Ced Gee)

Ahh yeah, or get that quart of Old Gold  
Or a banana

(Kool Keith)

If you wanna jerk off or two  
Anything you know

(Ced Gee)

Or a cup of coffee  
Whatever turns you on, take that break  
Yeahhh...  
And right about now

(Kool Keith)

We're going back to the funk!
