

Ultramagnetic MC's, Intermission

(Kool Keith)

Ahhh... it's time to relax
For all the people out there, it's time to take a break
A little intermission
Go urinate, get a little popcorn, stuff like that

(Ced Gee)

Ahh yeah, or get that quart of Old Gold
Or a banana

(Kool Keith)

If you wanna jerk off or two
Anything you know

(Ced Gee)

Or a cup of coffee
Whatever turns you on, take that break
Yeahhh...
And right about now

(Kool Keith)

We're going back to the funk!
