

Ultramagnetic Mcs, Intermission

[Kool Keith]

Ahhh... it's time to relax

For all the people out there, it's time to take a break

A little intermission

Go urinate, get a little popcorn, stuff like that

[Ced Gee]

Ahh yeah, or get that quart of Old Gold

Or a banana

[Kool Keith]

If you wanna jerk off or two

Anything you know

[Ced Gee]

Or a cup of coffee

Whatever turns you on, take that break

Yeahhh...

And right about now

[Kool Keith]

We're going back to the funk!
