

Ultraspank, Sponge

You fell on me
For the last time
Ugly of the worst kind
Imposing like a dark cloud
Reaching out
Wrong
Push away
Holding me
Crushing me
Push away
Holding me
Crushing me
Hungry
Dig in
Hungry
Please
Push away
Holding me
Crushing me
Push away
Holding me
Crushing me
I can bet that you pucker up
I can bet that you lie down
I can bet that you get yours
I can bet that you get yours
Because that's your life
Wanting
Needing
Taking
Stealing
Imposing like a dark cloud
Reaching out
Wrong
Push
Back
Pull the wool over your eyes
I can bet that you pucker up
I can bet that you lie down
I can bet that you get yours
I can bet that you get yours
Because that's your life
