

Ultravox, There Goes A Beautiful World

Spinning round, demanding a gentle way
Rushed up crowd, had to go off the way

(chorus)

Oh, the circumstances detailed
The force of the run
Oh, the messages unfold
There goes a beautiful world

Higher ground, safe from the open way
Desert hound, try to get hold of me

(chorus x2)

There goes a beautiful world
There goes a beautiful world

(chorus x2)

There goes a beautiful world
There goes a beautiful world
