Ultravox, There Goes A Beautiful World

Spinning round, demanding a gentle way Rushed up crowd, had to go off the way

(chorus) Oh, the circumstances detailed The force of the run Oh, the messages unfold There goes a beautiful world

Higher ground, safe from the open way Desert hound, try to get hold of me

(chorus x2) There goes a beautiful world There goes a beautiful world

(chorus x2) There goes a beautiful world There goes a beautiful world
