Unashamed, Strength Within

Time has come. Time to confront what I have fought with so long. I have to fight, not conform to myself. Conform to this world, give into my sin, only to fall again. I won't be held down, cause with God I know I'm strong and I know that I will overcome.

You've brought me this far but each step I take is getting harder, but with each step I take, I know I'm getting stronger.

God help me to use this truth you've put inside cause with your strength I will try.
