

Unashamed, Sustain

As I walk through this valley of death,
fear does not hold a grip on me.
For your sake we face death,
all day long,
and by your hand,
you help us understand.

As the spirit of darkness,
covers the land,
you hold this child in your hands,
and we know by,
the promises that you've made,
that you're light,
will guide our faith.

I will not fear no evil.

As darkness covers the land,
I watch the horizon grow dim.
Faithful, I will escape,
knowing that I've been sustained,
God has sustained me,
He alone has been my hope,
In a world waiting for me to fall,
God has sustained me through it all.
God has sustained me.

He restores my soul,
He guides me on paths of righteousness,
for His name's sake.
Even though I walk,
through the valley,
of the shadow of death,
I will fear no evil,
for you are with me.
