

# Unbekannt, Right Here Waiting For You

Oceans apart day after day and I slowly go insane,  
I hear your voice on the line but it doesn't stop the pain  
I see you next to never, how can we stay forever

Where ever you go, what ever you do,  
I will be right here waiting for you  
What ever it takes, or how my heart breaks,  
I will be right here waiting for you.

I took for granted all the times,  
that i thought would last somehow,  
I hear the laughter, I taste the tears,  
but I can't get near you now.  
Oh, can't you see it baby you've got me goin' crazy

Where ever you go, what ever you do.....

I wonder how we can survive this romance  
but in the end if I'm with you I'll take the chance

..  
yeah ohhh baby yeah

oh i love you  
oh whatever it takes,  
whatever you do,  
where ever you go am never leaving you  
oh yeah am gonna be  
waiting  
ill be right here waiting for you  
Waiting oh you
