

Uncle Bob, Hold It Down

Hold it down, boy
Don't lose your head
You're so inviting
And I'm easily led
Leave a message
'Cause you know that
I'll be tired and low
Tired and low
And I wish I could see you
I cross over seas
And I wish I could be with you
But I'll always believe
I gotta hold it down, don't let it show
Hold it down so you don't know
And I know you're letting go
But this is good advice, good advice
And I wish I could see you
I cross over seas
And I wish I could be with you
But I'll always believe
I gotta hold it down, don't let it show
Hold it down so you don't know
And I know you're letting go
But this is good advice, good advice
And I wish I could see you
I cross over seas
And I wish I could be with you
But I'll always believe
And I wish I could see you
I cross over seas
And I wish I could be with you
But there's so much I do
But you're so far
You're so far
You're so far
You're so far away
You're so far away
