

# Uncle Kracker, Uncle Kracker-Rescue

I stayed out late last night, nothing I could drink could help me  
drink you off my mind. everywhere I looked oooo I saw your face, and I  
wonder, and I wonder. If there still might be a lil space in your heart  
for me, cuz I'm so cold, I'm so alone and I miss you babe.

Chorus

So won't you come to my rescue, shake this pain from my soul,  
and take this fool back in your heart baby I'll go crazy if you don't,  
Cuz I'm a mess here without you, ain't no pill for this pain, so please.  
please come to my rescue baby, make it right away.

I was a fool to leave, leave behind everything that ment everything  
thing to me, every day and night mmmmm my heart pays the price,  
now I'm out here stranded out here, on this lonely road,  
I'm so lost wont you lead me home I need you back baby one more  
chance and I miss you babe

Chorus

So wont you come to my rescue, shake this pain from my soul  
and take this fool back in your heart baby, I'll go crazy if you dont,  
cuz I'm a mess here without you ain't no pill for this pain,  
so please. please come to my rescue baby, make it right away.

I'm drowning baby, i need you to save me yeah dont leave me  
like this(dont leave me like this)  
throw me a line baby one more time.

Chorus

So wont you come to my rescue, shake this pain from my soul,  
and take this fool back in your heart  
baby, I'll go crazy if you dont, cuz I'm a mess here without you,  
ain't no pill for this pain so please,
