

# Uncle Kracker, When The Sun Goes Down

(Kenny Chesney:)

Sun tanned toes ticklin' the sand  
Cold drink chillin' in my right hand  
Watchin' you sleep in the evenin' light  
Restin' up for a long long night

'Cause when the sun goes down we'll be groovin'  
When the sun goes down we'll be feelin' alright  
When the sun sinks down over the water  
Everything gets hotter when the sun goes down (yeah)

(Uncle Kracker:)

All day long just takin' it easy  
Layin' in a hammock were it's nice and breezy  
And sleepin' off the night before  
'Cause when the sun goes down we'll be back for more

When the sun goes down we'll be groovin'  
When the sun goes down we'll be feelin' alright  
When the sun sinks down over the water  
Everything gets hotter when the sun goes down

(K.C.):

This old guitar and my dark sunglasses

(U.K.):

This sweet concoction is smooth as molasses

(K.C.):

Nothin' to do but breathe all day  
Until the big moon rises and it's time to play

When the sun goes down we'll be groovin'  
When the sun goes down we'll be feelin' alright  
When the sun sinks down over the water  
Everything gets hotter when the sun goes down

When the sun goes down we'll be groovin'  
When the sun goes down we'll be feelin' alright  
When the sun sinks down over the water  
Everything gets hotter when the sun goes down (yeah)

(K.C.):

When the sun goes down we'll be groovin'  
When the sun goes down we'll be feelin' alright

(U.K.):

When the sun sinks down over the water  
Everything gets hotter when the sun goes down

When the sun goes down we'll be groovin'  
When the sun goes down we'll be feelin' alright  
When the sun goes down over the water  
She thinks Kracker's sexy when the sun goes down

We'll be feelin' alright  
When the sun sinks down over the water  
Uncle Kenny's hotter when the sun goes down  
When the sun goes down (ah) we'll be groovin'  
When the sun goes down hey Uncle Kenny  
When the sun goes down over the water  
Everything gets hotter when the sun goes down
