

# Uncle Sam, When I See You Smile

sometimes i wonder  
how i'd ever make it through  
through this world without having you  
i just wouldn't have a clue  
sometimes it seems like this world's closing in on me  
and there's no way of breaking free  
then i see you reach out for me, oh  
sometimes i wanna give up  
wanna give in  
wanna quit the fight

then one look at you baby  
can make everything alright  
make everything alright

when i see you smile  
i can face the world  
oh, you know i can do anything  
when i see you smile  
i see a ray of light  
oh i see it shining right through the rain  
when i see you smile  
baby when i see you smile at me

baby when there's nothing in this world that could ever do  
what the touch of your hand can do  
it's like nothing i ever knew  
and when the rain is fallin'  
i don't feel it 'coz you're here with me  
and one look at you baby  
is all i ever need  
it's all i ever need

when i see you smile  
i can face the world  
oh, you know that i can do anything  
when i see you smile  
i see a ray of light  
oh i see it shining right through the rain  
when i see you smile  
baby when i see you smile at me

sometimes i wanna give up  
wanna give in  
wanna quit the fight  
then one look at you baby  
can make everything alright  
make everything alright

when i see you smile  
i can face the world  
oh, you know i can do anything  
when i see you smile  
i see a ray of light  
oh i see it shining right through the rain  
when i see you smile  
baby when i see you smile at me
