

Uncle Tupelo, Train

A quarter after two
Sittin' in my car, watching
Waiting on a train
Ninety-seven flatcars
Loaded down with troop trucks and tanks
Rolling by

I'm twenty-one, and I'm scared as hell
I quit school, I'm healthy as a horse
Because of all that I'll be the first one to die in a war

The whole damn town was sleeping
Dreaming the same dream
The radio was playing
Roger McGuinn singing
"To each and every thing there's a time and a season

I'm twenty-one, and I'm scared as hell
I quit school, I'm healthy as a horse
Because of all that I'll be the first one to die in a war

Yes, I have the right to say
We all die anyway
But I'd just like to know
Where does my time go
