

Undercover (US), (Tell Me) Everything About You

Riding down the coastline
Headed for the warm sunshine
Gonna meet the Dream of dreams
Somewhere deep in time
We can sit in the sand and talk
Think about things we've done
We could walk on under the trees
As the leaves fall from above

Tell me everything about you
Tell me everything and more
Tell me everything about you
I want to know
I want to know
I want to know
I want to know

Lying down the shoreline
Maybe by the river side
Living in the Dream of dreams
Somewhere deep in time
I'll get there maybe by the river side
Think about things to come
We could walk on under the sky
As the clouds fall from above

Tell me everything about you
Tell me everything and more
Tell me everything about you
I want to know
I want to know
I want to know
I want to know

Tell me everything about you
Tell me everything and more
Tell me everything about you
I want to know

I want to know

I want to know
