

# Undercroft, Belfry Of Sorrow

Screams and moans  
Emerge from the church  
Among the shadows  
A brutal military figure  
Tortured beings  
Forced to suffer  
Destroyed minds  
That must die  
Dismembered bodies  
Spread without mercy  
Violent souls  
That will suffer forever  
Violated souls  
That won't rest in peace  
Masters of torture  
Looking somebody to kill  
Following and devouring  
The ones with an ideal  
Masters of suffering  
Executioners of shadows  
Tormenting and destroying  
The ones with an ideal  
Belfry of moan  
Belfry of terror  
House of torture  
Altar of blood
