

Undercroft, Danza Macabra

Dying eyes, twisted minds
Welcome to sabbath !!!
Blood bonds, fire flashes
Feasting the rite !!!
... all we shall burn by the bonfire !!!
... all we shall rise from the ashes...
... to the wind !!!
Danza macabra - festin pagano !
Danza macabra . nuestro arte maldito !
Flying up, creeping down
Or beyond death !!!
One by One, life to life
We'll find again !!!
