

Undercroft, Perverse Praise

The evil being
Thirsty of death
Lurk in the emptiness
Empire !!!
Wait to receive
An offering for yourself
Which he will pay
Which he will pay !!!
Searching we'll find
Punish by his name
Will break the laws
And hell evoke himself !
Victim we find
The infernal act begins
Victim we find
The slaughter by my lord !!!
Spilled blood
Tortured flesh
You need a victim
you need a victim !
Butchering flesh
Stabbing body
The offering
The praise
Thrash-cut-behead-stab-mutilate...
grind-massacre-kill-death !
