

# Undercroft, Perverse Praise

The evil being  
Thirsty of death  
Lurk in the emptiness  
Empire !!!  
Wait to receive  
An offering for yourself  
Which he will pay  
Which he will pay !!!  
Searching we'll find  
Punish by his name  
Will break the laws  
And hell evoke himself !  
Victim we find  
The infernal act begins  
Victim we find  
The slaughter by my lord !!!  
Spilled blood  
Tortured flesh  
You need a victim  
you need a victim !  
Butchering flesh  
Stabbing body  
The offering  
The praise  
Thrash-cut-behead-stab-mutilate...  
grind-massacre-kill-death !
