

Underworld, Luetin

I will give you very good time
I will give you very good time
if you come back to me
i will give you white plastic chip
(glowing you're glowing you're glowing) (very background / subliminal)
make you make you make you make it make me
cool in my tomb
i will give you everything
account invention
vision vision vision vision
i will transform her feel it
feel the fiber
transform her (/transformer)
one day
(repeat)
it's your name day
two of the men i know
had a name day
they were cold coffee
selling (seven?) names for boys
selling (seven?) names for girls
get your own ends (eat your own hands) ??
get your own ends (eat your own hands) ??
the sex and everything
the sex and everything
get your own ends (eat your own hands) ??
get your own ends (eat your own hands) ??
you can live after the first course of one
the cats go mad when you call
the smell of dogs when you call
is it the black one, or the red one?
(x2)
(repeat)

Vocoder - The holy man? will hold you down? / you slow me down? / you're moving round? (repeat)

the guy sits in his smoky smoky hole all day
i think he is spicy
i think he smoked his lungs
x2
Just a little bite
Just a little bite
you want some more with chicken
it tastes / takes the same
(repeat)
all day...
get your own ends (eat your own hands) ??
get your own ends (eat your own hands) ??
the sex and everything
the sex and everything
