

# Unida, You Wish

Nothing, is gonna survive  
And her thing, always alive  
Despite on the edge  
Well it'll make you cry  
It's never ending  
and never surrendering

Nothing, is gonna roll  
and her thing, out of control  
And shame, on the underdog  
and who's to blame,  
About the other day?  
It's never ending  
and never surrendering

Nothing, is gonna survive  
And nothing, always alive  
Despite on the edge  
Well it'll make you cry  
And who's to blame  
about the other day?  
It's never ending  
and never surrendering  
Her end, something new  
And nothing, all but you  
And the life you want to live  
And the life you want to live  
It's all right, it's all right, it's all right...
