

Universal Hall Pass, No One

So much pressure
I feel helpless
Don't be angry with me
But I can't hold this in any longer
'Cuz you never listen to me
You've been sending me messages in language that is foreign to me
And I'm tiring from trying to decode the way you see things

This is why there's no one
This is why there's no where
This is why there's no one

Yes I'm grateful
Would you ever notice?
You're too busy watching TV
And I'm just wondering
Are you really happy?
Because you're never happy with me
Once again I'm on the fence with the way this feels and how things should be
And I'm tiring from hoping you'll decode the way I see things

This is why there's no one
This is why there's no where
This is why there's no one

Oh remind me again of how much I've cost you
You say that I'm expensive
And I know that you've good intentions
But if I'm such a bad investment
Don't tell me you love me if you won't give without receiving

Ah

You've been sending me messages in language that is foreign to me
And i'm tiring from trying to decode the way you see things

This is why there's no one
This is why there's no where
This is why there's no one
