

Unkle, Burn My Shadow

I have burned my tomorrow,
And I stand inside today...
At the edge of the future,
And my dreams all fade away...

I have burned my tomorrow,
And I stand inside today...
At the edge of the future,
And my dreams all fade away...

And burn my shadow away...
And burn my shadow away.

Fate's my destroyer.
I was ambushed by a light,
And you judged me once for falling...
This wounded heart arrives...

And burn my shadow away...
And burn my shadow away...

When I see the light,
True love forever.

When I see the light,
True love forever.

When I see the light,
True love forever.

When I see the light,
True love forever.

When I see the light,
True love forever.

(Burn my shadow)
When I see the light,
True love forever.

When I see the light,
True love forever.

(Burn my shadow)
When I see the light,
True love forever.
(Away...)

And burn my shadow away...
And burn my shadow away.
Oh, how I loved you.
