

# Unkle, Getting Ahead In The Lucrative Field Of A

The name of the game is Ballbuster!  
It's a family game, fun for children,  
And for adults, it's exciting!  
You make strategic offensive and defensive moves  
Then try to bust your opponent's balls!  
It's as easy as checkers, but exacting like pool!  
You're a ballbuster!  
Ballbuster, a great new game from Mego!
