-----  
Yoya ... Oh kids of our neighborhood  
Yoya ... They've set our kite  
Yoya ... Our kite flies  
Yoya ... Just like the birds

Yoya ... Telling the sorrow  
Yoya ... Once Upon a time  
Yoya ... The "khawajat" came  
Yoya ... It was a saturday

Yoya ... They took our neighborhood  
Yoya ... They broke our toy  
Yoya ... The wheels of blood  
Yoya ... Death of "ham w tam";

Yoya ... We refused to immigrate  
Yoya ... They said its orders  
Yoya ... "Somebody Said" ?  
Yoya ... Things will get back to normal

Yoya ... No trouble went away  
Yoya ... Nor did the world turn around  
Yoya ... We became refugees  
Yoya ... With a card for food

Yoya ... Like a migrating bird  
Yoya ... Traveling in the world

Yoya ... So the story is  
Yoya ... Jesus Christ  
Yoya ... The crucified him again

Yoya ... And shot him too  
Yoya ... And the "defacto";  
Yoya ... Is oppression and pain  
Yoya ... You are not allowed to complain

Yoya ... You are not allowed to talk  
Yoya ... But why should we be silent ?  
Yoya ... For the bread  
Yoya ... Its father shall be cursed (damned)

Yoya ... And those who brought it too  
Yoya ... Why the silence  
Yoya ... Its all death
