Lady love, go back to sleep,  
Dry the tears from your eyes,  
But I cannot stay with thee  
Until the morning,  
For the dawn is breaking  
And my ship is waiting for me,  
And I must go  
But I'll be back, yes,  
Before this year is over;  
And we sailed across the sea,  
Till we found America,  
Round the Cape of Storms  
We set our sails for home,  
And when the sea was roaring  
And the Lord I called  
To help my drowning men,  
I saw the light, yes, the candle in your window...  
And I have brought you silver,  
And I have brought you gold,  
And spices from the Indies in the hold;  
And I've seen ships on the horizon,  
That I'd swear were going down,  
And now I know for certain,  
The world is round,  
I have seen, my eyes have seen,  
Oh, one day says Galileo,  
A man will reach the sky,  
And see the world completely,  
&gt;From outside,  
And gazing down from yonder,  
On a world of blue and green.  
He'll say with eyes of wonder,  
I have seen, I have seen,  
My eyes have seen.
