

# Unleashed, Attack!

...Attack!

Welcome to our metal family  
It isn't always what it seems to be  
The path we chose: living for the day  
It doesn't make a difference what you say  
You think you have control of what we are  
But when you least expect it we go to war

...Attack! ...Attack!

So here we go again another show  
Yeah we're Unleashed with proud immortal souls  
With never ending hatred in our eyes  
We do what suits our purposes in life  
The warriors of metal won't pretend  
Cause life's a battle, and then you die... the end.

...Attack! ...Attack! ...Attack!
