

# Unleashed, Helljoy

There is no holy land  
No better place to dwell  
Here is our day of joy  
Here and now is our hell  
I am my own god  
I am my own slave  
There is no redeemer  
To see me through the day  
Helljoy - pressure of the flesh  
Helljoy - indulgence 'til death  
Helljoy - pressure of the flesh  
Helljoy - indulgence 'til death  
There is no glorious heaven  
But the one you create  
Live your life in sin  
Live before it's too late  
You must take control  
Pleasure of the flesh  
Cut the moral leash  
Indulgence 'til death  
Helljoy - pressure of the flesh  
Helljoy - indulgence 'til death  
Helljoy - pressure of the flesh  
Helljoy - indulgence 'til death
