

# Unleashed Power, Quintet Of Spheres

Sphere 1 : Preclusion by Naivete

in its belief of its supremacy  
shattered domain of its naivete  
lazy and full 'til the reign got corrupted  
surprised its existence interrupted  
astonished by the disclosure detected  
in this sad conference it sits in imprudence  
confrontation it detests naivete laid to rest  
in a millennium broken continuum  
knowledge broke the line its existence divine

Sphere 2: Tool of Nihilism

tearing carnage  
massacre done  
thriving scourge  
nihilism won  
regaling itself  
on death by its hand  
destruction of life  
keeps it in command  
abrogate life  
bludgeon the weak  
nihilistic pawn  
dragoon the meek  
dictator enforce  
paramount of hate  
obey to his whim  
and subordinate

Sphere 3: Phlegmatic Perception

white walls surround the entity  
mirror its stolidity  
stale amiss the indolence

its voice cries in dissonance

phlegmatic perception

slothful reaction

laziness prevail

ignorant and stale

caved in by misanthropy

traveling through apathy

fool of the turmoil

antithesis of foil

only to bereave

talent to perceive

confronted by fear

for the end is near

its farce concluded

its reign deluded

Sphere 4: Defer to Despair

institute unimportance

effluence of dejection

disdained in depression

accentuate negation

trembling shake in its angst

reflecting travesty

in its timid existence

quail in its servility

Sphere 5: Paradox of Sanity

raving in its frenzy

delirium run amuck

paradox of sanity

severe trauma and shock

jolt in maelstrom of conflict

perceptive disturbance

afflicted agitation

phrenetic lunacy

antagonized fatuous mind

distorted perception

relinquish sobriety

perverse contemplations

Epitaph: Five Entities Unified

as they come to realize

when their spheres merge into one

their credence is their demise

dissension has just begun

belief of narcissism

confronted discernment

by their fanaticism

union rendered atonement

communion solidified

eternally unified
