

Unleashed Power, Section Terminal

In control and with force

there can be no remorse

with all the broken connections

and all the distorted reflections

No hope in section terminal

Look at me here

eyes glazed with fear

they wont contain

bloodthirst and pain

they locked me up saying that I am insane

They can't see, what I can see

they can't feel, what I can feel

I'm so sure, only I know

it must be, that blood must flow

Lunatic, they all have said

pathetic, they're all misled

Diagnosed, as a manic

paranoid, schizophrenic

strapped me down, sedated me

locked me up, stopped my killing spree

With the battle at hand

facing the reprimand

but haunting voices are plaguing

in the nights that I am raving

No hope in section terminal

Look at me here
eyes glazed with fear
they wont contain
bloodthirst and pain
they locked me up saying that I am insane
