

Unleashed, Warmashine

I urge you to be brave
Be strong and face it
Stand up and fight like a man
Be a warmachine
Warmachine
Warmachine
Don't let them grind you down
Rise up and charge 'em
Fight back and never give in
Be a warmachine
Warmachine
Warmachine
Warmachine
Warmachine
Warmachine
Warmachine
So hold on to your pride
Be what you are and...
Show them a warriors wrath
Be a warmachine
Warmachine
Warmachine
