

# unloco, Reckoning

What's your problem  
Can I tell you  
Sick inside your mind is all I see  
Now you're looking  
Point your finger  
Take a look at yourself  
That you point at me

Take your pride  
Swallow your pride  
Walk before me  
Trash you will be  
Life that hates you  
I degrade you  
Be pathetic and lie  
Through your skin

I'M NOT GOD  
But I can be  
I'M NOT GOD  
But I can be

I'm not god...

What's your problem  
Don't you like this  
Don't you like this in your world  
Child before you  
Life before you  
I'm the spine that's in your thorn

I'M NOT GOD  
But I can be  
I'M NOT GOD  
But I can be

And I'm so over you...

SO BURN

I'M NOT GOD  
But I can be  
I'M NOT GOD  
But I can be
