

UnSun, Blinded By Hatred

Lost between heaven and hell
They were able to kill each other
Only screams were coming out of their mouth
Only screams it was like a bad dream
Lost between heaven and hell
They were able to kill each other
Only screams were coming out of their mouth
Only screams it was like a bad dream
It's too late to reclaim the lost dreams
The merciless world made them victims
It's too late for the tears that've been shed
They'll never grow up blinded by hatred
Sometimes everything was all right
They were able to talk together
But only, only for a while
Their love has made everything better
Sometimes everything was all right
They were able to talk together
But only, only for a while
Their love has made everything better
It's too late to reclaim the lost dreams
The merciless world made them victims
It's too late for the tears that've been shed
They'll never grow up blinded by hatred
They were able to kill each other
They knew nothing of one another
They were able to kill each other
They knew nothing of one another
It's too late to reclaim the lost dreams
The merciless world made them victims
It's too late for the tears that've been shed
They'll never grow up blinded by hatred
